Home Improvement LLC

Hello – My name is Cody Forlenza and I am a proud member of the Highlands Ranch community. In May 2012, I graduated with high honors from Red Rocks Community College with a degree in Fire Science; successfully completing the Fire Academy and state EMT licensure. With my sights set on a graduate degree in business, I am pursuing this academic milestone through Regis University and will continue to work hard to reach my educational goals.

An entrepreneur by definition and a perfectionist by nature, I enjoy tackling challenges without compromise. I have been taking care of families in the south metro area for over 10 years with a proven track record, and excellent customer retention. I would appreciate if you would consider me for all your home improvement needs. I specialize in the following:

Deck Construction and Repair

- Composite & Redwood

“Cody is the most professional, reliable, intelligent contractor I have ever worked with. He does what he says he is going to do, and communicates well throughout the entire project. I can’t recommend him highly enough – in fact after he built one fence for me, I gladly hired him to build another!”
